

2022 North American Fall Rally

Session/Function	Description
20 Second Emergency Evac Plan	Seminar and exercise put on by the Goshen Fire Dept. Topics include First Aid/Emergency Evacuation/Fire extinguisher care and use.
4H Pancake Breakfast	Breakfast cooked and supplied by a local 4-H group as a fundraiser. Donations accepted.
AIA	AIA supplies Corian and LG Hi Macs solid surface countertops. This seminar will focus on repair, care and maintenance of solid surface countertops.
Amish Dinner@ The Carriage House	Enjoy homemade Amish food served on the farm. Loosen your belts for this one! Pre-registration required.
ASA iN Command	ASA are the makers of the iN-Command system used in some Montanas.
Battleborn Battery	Is your system ready for lithium?... YES!!! Learn what lithium may do for your camping experience.
Book/Media Exchange	Bring unwanted books, CDs, DVDs and movies, etc. We encourage leave one, take one exchange but not required.
Bread... It's In The Bag	You will be shown how made from scratch mixes can make mealtime and entertaining quick and easy. Will offer samples and have a door prize drawing.
Bring Your Own Craft Social	Bring Your Own Craft and socialize with fellow attendees.
BYO Games & Beverages	Bring Your Own games and beverages. An opportunity to make new friends, play games and socialize.
Campfire	Join us in the Campfire Area most nights for a campfire where you will have time to socialize/chat with your fellow attendees. One night the WM Team will be providing S'mores. Another night will be Potluck (bring an appetizer or dessert to share) & optional Talent Showcase. Review the schedule for specific nights.
Card Bingo w/Prizes	As the name suggests!
Charity Food Donations	Each year, our generous Montana owners have supported a local Goshen charity, Church Community Services (CCS) through a food drive. CCS was created 54 years ago as a program to address the issue of poverty in the Elkhart/Goshen community. Please support this by collecting food items.
Coleman & Suburban	We will be covering the features and benefits of the Coleman Mach Power Saver Quiet Series AC's and the upgraded Soft Start option for solar packages. What makes that combination so unique. We'll be covering the Blade Pure Merv rated ceiling assembly and how it helps with the overall air quality in the coach and can go over some typical Q&A, FAQ from the owners about their HVAC systems.
Cooking From Your Montana	Want ways to best utilize your small space to make great meals? Join Dr. Anne VanderHoek as we go through the most useful cooking gadgets that will not waste space, cooking healthy, easy and fun meals in your camper, and making the most of local ingredients and the great outdoors.
Coordinators Meeting	Hosted by the Wagon Master Team for all Session Coordinators.
Crayons & Cocktails Art Class	Make watercolor/colored pencil whimsical Christmas cards.
Dexter Axle	Dexter has been a leading manufacturer of trailer axles and trailer brakes for over 50 years for the utility trailer, recreation vehicle, heavy duty, manufactured housing, agricultural, marine, and specialty trailer markets. This seminar will focus on features, benefits, proper operation, care and maintenance for Dexter axles and brakes.

2022 North American Fall Rally

Session/Function	Description
Dometic	Dometic air conditioners, furnaces and PowerChannel™ Awnings - This seminar will focus on features, benefits, proper operation, troubleshooting, care and maintenance of these components.
Eco-Friendly RV'ing Roundtable	This roundtable discussion will be led by Dr. Anne VanderHoek as we talk about simple yet sustainable changes we can all make while traveling.
Flag Retirement	If you have any OLD, TORN, TATTERED, or FADED American flags please bring them to the Rally with you and they will be collected for the Ceremonial Team to retire them in an honorable manner. The Ceremonial Team will take any American Flag, no matter what material.
Folded Star Hot Pad Class	Make this easy but intricate hot pad for your kitchen or to give away as gifts to friends and family. Kits will be provided with all materials needed to make the hot pad. Pre-Registration required
Full Timing Roundtable	Roundtable seminar for full timers. You do not have to be a full timer to attend this seminar. We share and discuss several subjects that as full timers we face. We share ideas and hints.
Future Sales, Advance Energy	Future Sales supplies inverters and solar systems. This seminar is a more advanced discussion on solar and the benefits of Future Sales products along with proper operation, troubleshooting, care and maintenance.
Future Sales, Basic Solar & Inverter	Future Sales supplies inverters and solar systems. This seminar is a basic introduction to solar and the benefits of Future Sales products along with proper operation, troubleshooting, care and maintenance.
Hand Signal Class	Did someone turn right when you wanted them to go left? This session should help both driver and significant other when backing the rig (it has even been rumored to save marriages).
Irvine Shade	Irvine Shade & Door's innovative and smooth-operating Slow-Rise Roller shades. This seminar will focus on the proper installation, operation, care and maintenance of the Slow-Rise roller shades.
Keystone RV Presentation	Come enjoy a meal and then find out what changes and improvements are being introduced in the newest Montanas. This is also a chance for us to thank Keystone/Montana for not only its continued support of the rally, but for helping to make it the success it has become.
KeyTv	General overview and common questions - Key TV is Keystone RV Company's single point of control for satellite, over-the-air and cable TV feeds using a box that can split the signal and send it to every TV outlet inside and outside the fifth wheel. There are no splitters, and the system will automatically boost the over-the-air signal to make sure every TV gets the best available feed. Montana Owners have the option of connecting a satellite dish to the system, a task made simpler by the system's color coded wires and labeled ports. This seminar will focus on the features, benefits, proper operation and trouble shooting for Key TV.
Kleen Tank	Learn everything you don't know about your RV's holding tanks! The National expert in tank cleaning discusses tank additives, misbehaving sensors, and which TP is best (you may be surprised!). Something for every RVer, no matter their experience and expertise. A fun, informative seminar that is always a hit!

2022 North American Fall Rally

Session/Function	Description
Ladies' Driving School	Driving school (sponsored by Keystone) put on for the ladies of the group This class is a must for those who need to learn to handle the rig in a safe manner even for just a short trip to a safe haven. Pre-registration required.
Ladies' Luncheon	The Ladies of your Wagon Master Team will be hosting. Catered lunch, fun and door prizes! Pre-registration required.
Ladies' Sip & Paint Class	Come bring your creativity and paint a wine glass while sipping on wine! This is a free style paint class! Pre-Registration required.
Ladies' Tips & Tricks	Ladies, come share the things you have done to get more out of your RV and/or make things easier or better. It's a great way to learn from others.
Lippert Components - Furrion	Furrion supplies ovens, cook-tops, TV antennas and observation camera systems. This seminar will focus on features, benefits, proper operation and troubleshooting for these components.
Lippert Components - Levelling/Slides	LCI is the nation's leading supplier of components to the RV industry. This session will discuss their levelling and slide-out systems.
Meet-n-Greet-n-Eat	Get to know your fellow Rally Attendees with a meal provided by TST.
MASA	MASA, established in 1974, is the global leader in emergency medical transportation solutions. Our members receive over 19 benefits that cover them at home as well as when traveling. The seminar presentation will introduce you to the company as well as a review of the unmatched suite of benefits. MASA keeps the RV'er in control of their financial future so they can focus on the road ahead with peace of mind knowing when the medical emergency happens the RV'er, their vehicles, their fur babies and companions all get back home.
MOC Forum 101 Q & A	A roundtable/panel discussion to help you navigate and get more out of the MOC Forum.
MOC Men's Brotherhood Breakfast	The Men of your Wagon Master Team are hosting. Catered meal. The program is being designed to enhance our bond as Montana owners living the RV lifestyle. There will be door prizes and more! Pre-Registration required.
Montana Plant Tour	Take a tour of the Keystone plant where they make our Montanas. This is a great way to see how these units are put together.
Morning Ride	Join Ron & Terrie Ames for a morning bike ride in the area.
MORryde Seminar	Since 1966, MORryde has built a reputation in the RV industry for delivering quality suspension systems to the towable market. Today, we offer an impressive lineup of suspension and pin box products that greatly improve RV towing comfort. Moreover, our passion for innovation has helped us develop a comprehensive line of specialty products geared toward enhancing fifth wheel livability. This session will cover parts, performance, and maintenance on various suspension systems, things that affect the performance of the running gear, preventive maintenance, electric brakes and required maintenance, advantages of disc brakes and bearing maintenance.
Movie Night	Enjoy Movie Night with your fellow RV'ers with an RV themed Movie. Door prizes!
North to Alaska Roundtable	Been to Alaska with your RV or thinking about going? Come to the roundtable discussion and share your experiences or ask questions of those who have been there.

2022 North American Fall Rally

Session/Function	Description
Packet Pickup	Pick up your Rally Book, Name Tag, Yard sign and more. There may be additional sign ups and if necessary money will be collected for sessions or activities that require a fee.
Performance Trailer Braking	Performance Trailer Braking has been responsible for training RV mechanics, trailer shops, and individuals on proper installation and maintenance of Electric over Hydraulic Disc Brake Systems since 2013. Let us help you with any installation questions.
Pet Parade	Travel with your furry friends? Show them off at our annual Pet Parade. Costumes encouraged!
Proteng RV Fire and Life Safety	This seminar will cover RV Fire and Life Safety centered around awareness, preparedness, fire safety equipment, evacuation procedures, specific extinguishers, RV refrigerator issues, and fire suppression solutions available today.
Pullrite	Pulliam Enterprises, Inc. has been designing and manufacturing extraordinary hitches for well over 40 years. Our innovative product lines give you many choices, weight classes and plenty of accessories to make your towing experience easy and give you peace of mind that comes from great innovation! The seminar will focus on our innovative design and manufacture as well as maintenance of fifth wheel and short-bed truck hitches.
Rally Darts	Join us for some competition and a chance to win. Rally darts is a skill-based game where each entry will throw 5 darts over 5 days. The highest score splits the total pot with the remainder going to help support the MOC Rally. Rules are included in the rally packet.
Rally Introduction for First Timers	Q&A Session hosted by the Wagon Master Team for all first time MOC North American Fall Rally attendees. Join us for a gathering to help all new attendees learn how to get the most out of their first rally experience. This is a chance to get answers to any questions you may have and work out some pre-rally jitters to help you feel welcomed and settled in. Sometimes we don't know what to ask as First Timers, so we'll go over what you can expect from the rally as a whole, where everything is located, what different classes and workshops are like, information and suggestions for local attractions/restaurants and so much more. This is a great time to meet each other, as well as seasoned members and the members of the Wagon Master team.
RV Trip Wizard	Trip planning software, come learn about the product and learn how it can benefit you.
RVSEF	Learn about overweight RV & tow vehicle conditions and how it affects tire safety.
RVSEF Weigh Out	Rigs that sign up for the RVSEF weighing program will be weighed as they depart on Saturday, the 17th.
SkyMed	Our emergency medical travel services pick up where traditional insurance leaves off. Global leaders in emergency medical evacuation membership services. Come learn more.
Tips for Better Towing	This seminar will cover the driving conditions that we encounter every day that we are on the road. Even if you have been towing for a while, this will be a good refresher course. Both new people and veterans are encouraged to attend.
Tips-n-Tricks	Everyone is welcome to come and share the things you have done to get more out of your RV and/or make things easier or better. It's a great way to learn from others.

2022 North American Fall Rally
